

La Croix Kids Health and Safety Policies:

La Croix Kids Sick Policy:

For the protection of all children, volunteers, and staff, children who show signs of illness will not be accepted into the Reign Forest (Birth- 6th Grade). If symptoms develop after the service/event begins, parents will be notified.

No child will be allowed into any of the children's programs if he/she currently or within 24 hours has had:

- A fever of 100 or above
- Any vomiting or diarrhea
- A severe runny nose or sore throat
- Croup or bad cough
- An ear infection
- Pink eye or an eye infection
- A skin infection – impetigo, boils, ringworm etc.
- A skin rash other than diaper rash
- Any childhood disease – measles, mumps, rubella, scarlet fever, chicken pox, or fifth disease.

Parents should notify the Children's Ministry Staff of their children's exposure or positive test to any communicable disease, including COVID-19, if the child has been in the church within the last week after exposure. If your child has been directly exposed to influenza or RSV, please keep them at home, as well. Thank you!

Visual Paging System:

This system will allow us to quickly alert you, as parents or guardians, during the worship experience if you are needed in the Reign Forest for your child. If you are needed, the code from your Pick-Up Sticker will appear on the small screens above the exit signs in the worship center. You then simply report to the Reign Forest check-in desk for further instruction.

Reign Forest Playground:

Just a reminder that the playground is for children ages 6 and under. We want the playground to be a fun and safe place for children to play, so parent supervision is required. Thank you!
